

SUPREME COURT OF TASMANIA

CIRCULAR TO PRACTITIONERS

No. 4 of 2023

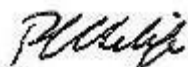

21 February 2023

RETURN TO PRE-COVID LAYOUT - COURT I LAUNCESTON

Court I Launceston will return to its pre-Covid layout during first term (27 February to 10 March 2023). The dock will be reinstalled in its original location, the jury box will be reinstated, and the public gallery will again be available to members of the public at the back of the courtroom.

Court I Launceston will be fully functional from the commencement of the second sittings (14 March 2023).

The return to the pre-Covid layout will significantly ease operational constraints in Launceston with mediation and taxations to resume in the ground floor conference room once its use as the temporary public gallery ceases.
